

## Membership Application

ITS Arizona's mission is to promote cooperation and foster a statewide public, private and academic partnership and to assure the urban and rural surface transportation system in Arizona is safer, more effective and efficient by accelerating the identification, development, integration and deployment of advanced technologies.

ITS Arizona strives to provide information exchange among governments, private sector and academia; inform and educate the public; encourage a strong ITS industry within the state; foster research and development; and serve as a clearinghouse for ITS information.
