ITS Arizona 2018 Call for Award Nominations

ITS Arizona is sponsoring an awards program to honor outstanding achievement in the area of Intelligent Transportation Systems. Now in its 14th year, the ITS Arizona awards program will continue to recognize the best and brightest ITS planning projects, implementation projects and industry products. The awards will be presented at the joint National Rural ITS & ITS Arizona Annual Conference + Exhibit in Fort McDowell, Arizona on October 23rd, 2018. Self and second-party nominations are encouraged. A description of each award and the general selection criteria are provided below:

Selection Criteria for Best ITS Planning Project in Arizona

- The plan or study was completed before the award date
- The plan or study is closely related to ITS in Arizona
- The plan or study defines clear goals and objectives
- The plan or study presents innovative methods for achieving the goals and objectives
- The methods presented are realistic and achievable
- The plan is well written and comprehensive

Selection Criteria for Best ITS Implementation Project in Arizona

- The project was fully completed and actually constructed or integrated before the award date
- The project is an ITS project located in Arizona
- The project effectively used funding resources to deliver valuable benefits to the traveling public
- The project effectively deployed ITS technologies to provide one or more of the following benefits: help monitor and manage traffic flow, reduce congestion, provide alternate routes to travelers, enhance productivity, enhance security, and save lives, time and money

Selection Criteria for Best Use of an ITS Industry Product or Service in Arizona

- The product must be applicable to transportation.
- The product must be in use in Arizona.

Nominations are due Friday, September 14, 2018 and should be submitted electronically to the ITS Arizona Board at itsazinfo@itsaz.org.
